Belonging through Baptism

We all belong to God's family. He made us in His image and He loves us all. Usually when we are babies, we are welcome into the Church family through the first sacrament, Baptism.

Jesus welcomes everybody.
We all belong to his family.

There are also two Godparents who promise to look after the baby as it grows up in the family of God.

Belonging to different groups is amazing!

I baptise you in the name of the Father, the Son and the Holy Spirit.

Dear God, Thank you for the opportunity to belong to lots of different groups but especially to the family of God. We know that you love and care for us, the same way that our families do. Be with me as I grow in faith and have faith in growing. Amen
