Psalm 16

Psalm 28

Psalm 63

Jesus grew up in a family with Mary and Joseph in Nazareth. They lived in a small house and ate bread, fish, cheese and some meat. They went to the Temple to pray and learn about God. Jesus knew all the psalms off by heart!

What is a family?

Our families love and care for us. We have families at home, at school and at Church. God made all of us as one family, in one World. God loves us all.

One day two brothers came to Jesus to ask him to sort out a problem about sharing some money. Jesus explained to them that there were more important things in life than being rich. It is more important to be loving and kind. Jesus said "Don't worry about food or about clothes. Life is more important than those things". Jesus pointed to some birds and explained "Look at the birds. They don't store things up. God feeds them, and you are worth more than the birds. Look at the wild flowers, they are not rich, but even a king does not look as beautiful as a flower, God makes them beautiful. He cares much more about you. So don't be worried, trust God."
