From your learning logs I have seen that a lot of you enjoyed This week.

What made this lesson enjoyable? What did your teacher do that made it enjoyable? Can we use this information to set some actions for the teacher?

This week I saw that a lot of you said you needed to improve.....

How could your teacher support you with improving this?

Can we use this information to set some actions for your teacher?

In our learning this week I have noticed that.....

How do you think you could support the teacher with this? What do you think are some barriers to your learning?

Now can we use this information to set some actions for you.
