**CAFOD**

Catholic Agency for  
Overseas Development

CAFOD work with people in developing countries to ensure they have the access they need to clean water, food and a fair life!

You and I are God's messengers.

It is through us that we can help our Global neighbours.

**We can be**

**'Missionary Disciples'.**

Dear God, Thank you for the different communities around the World, including our local and global neighbours. I promise that I will work hard to be your messenger and follow your teachings to be a missionary disciple. Amen

**Recognise Talk About Describe Wonder**

**Psalm 18: 1-5**

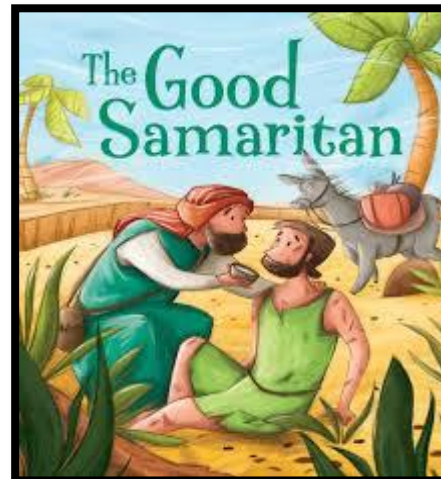

The sky above tells how wonderful God is. Every day it is there for us to see.

Every morning the golden sun appears shining on everyone, bringing light and warmth to all.

Spreading the message of God's love all over the world to neighbours here,  
Neighbours there, neighbours everywhere.

### **The Good Samaritan**

This story is a good example of how you can be a good neighbour. It doesn't make who you are, you can help others who need it.
