

### 27<sup>th</sup> September

First meeting- Introduce new voted members.

Year 5 members to prepare 2 min speech as to why the council should vote for them to represent the school as Trust member of parliament.

### 6th October

Voted for new Year 5 Trust Parliament lead- Congratulations Jessica!

Shared Google Forms feedback from last years STEM fortnight. Looked at what children most enjoyed and how we can build on that.

Task- to go away and think of ideas for STEM week.

### 27<sup>th</sup> October

Tani would like a chemistry scientist to visit the school.

Engineer either train or plane to come in and talk to us about careers.

Engineer from JCB – Seb’s dad works for JCB

Kuvan to speak to his dad who is a carpenter to see if he would come in and speak to his class about DT.

You tube experiment called Elephant toothpaste experiment- Jessica asked if we could do it as a school.

Oliwer would like to do a maths escape room as we did not do it last year.

Tani asked if we could do something on coding as her dad works in this Industry.

James asked if his dad could come in as he works for an electrical company.

Sophia Email NASA or space centre to have a zoom call.
