22 November 2024

Dear Rebecca

It was a pleasure to visit St Georges Catholic Voluntary Academy and to speak with you and your wonderful children about my work as your Member of Parliament.

I really enjoyed taking all your interesting questions and hearing about the work you are doing around asylum and refugee awareness. It was really heartening to see so many of you taking a keen interest in what is happening in our community and our country.

As the Member of Parliament for Derby South I work in the House of Commons and across our community to represent them and their families. It's important to me that their voices are heard in Parliament so please do write to me to share any issues that you might like to discuss, I would always be happy to hear from you and the children.

It was lovely to meet them, and I wish you all well for the rest of the school year.

Best wishes

A handwritten signature in cursive script that reads "Baggy Shanker".

**Baggy Shanker**  
Member of Parliament for Derby South

**MEMBER OF PARLIAMENT FOR DERBY SOUTH**
