Creation and Covenant

Sticky Knowledge

In the story of Noah, God made a promise (covenant) with Noah and all living creatures that He would never send such a big flood again. His promise was symbolised by a rainbow.

In Noah's time, people were sinning. Noah was a good steward of the earth so God decided to give people another chance by creating a path to salvation.

God's promise means that we must turn back to God and take responsibility for the gift of Creation we have received by being a good steward (keeper) of the Earth and all living things.

In the story of Noah, a few were saved by water. In the Sacrament of Baptism, a person is reborn from the waters; reborn into a new life in the Christian family.

There are many symbols in the Sacrament of Baptism.
