

An Angel, A Star And A Stable

An Adaptable Mini-Nativity For
Classes And Bubbles

**THE
SCHOOL
MUSICALS CO**

THIS IS BETHLEHEM

Just a little town like any other,

Busy, busy, just the same.

Take another look and you'll discover

Why the world has learned its name.

The brightest star was shining from above,

Showering the streets with endless love.

This is B E T H L E H E M

This is Bethlehem

This is B E T H L E H E M

This is Bethlehem

Many people went there for a census

Called two thousand years ago.

Someone special rode there on a donkey,

Carrying a precious load.

The brightest star was shining from above,

Showering the streets with endless love.

This is B E T H L E H E M

This is Bethlehem

This is B E T H L E H E M

This is Bethlehem

Bethlehem, Bethlehem, Bethlehem.

This is B E T H L E H E M.

This is Bethlehem.

UNDERNEATH THE STAR THERE IS A STABLE

**They travelled on a donkey
On a bumpy kind of road.
The days were nice and sunny
But the nights were rather cold,
Off to Bethlehem,
Off to Bethlehem.**

**But underneath the star there is a stable,
Underneath the star they'll find a place to stay,
And a baby will be born inside the stable today,
In Bethlehem,
In Bethlehem.**

**And every bump and every stumble
Worried Mary too.
The baby could be born at any moment,
It was true,
Near to Bethlehem,
Near to Bethlehem.**

**But underneath the star there is a stable,
Underneath the star they'll find a place to stay,
And a baby will be born inside the stable today,
In Bethlehem,
In Bethlehem.**

**And after many miles,
Many trials to the town,
The inns were rather busy,
Not a single room was found,
In Bethlehem,
In Bethlehem.**

**But underneath the star there is a stable,
Underneath the star they'll find a place to stay,
And a baby will be born inside the stable today,
In Bethlehem,
In Bethlehem.**

BEAUTIFUL BABY

**In the stable, in the stable,
There is something happ'ning in the stable.
In the stable, in the stable,
There is something happ'ning in the stable.**

**There was a kerfuffle, the animals shuffled,
And then a little baby was born.**

**He was a beautiful baby, a baby born in a manger.
He was a beautiful baby, with a manger for his bed.**

**In the stable, in the stable,
There are people gath'ring in the stable.
In the stable, in the stable,
There are people gath'ring in the stable.**

**With shepherds arriving, the angels are singing,
Because a little baby was born.**

**He was a beautiful baby, a baby born in a manger.
He was a beautiful baby, with a manger for his bed.**

**He was a beautiful baby, a baby born in a manger.
He was a beautiful baby, with a manger for his bed.**

SPREAD THE JOY

**Count your blessings one by one,
Cherish every gift in turn.
Celebrate, illuminate
And raise your voices high.
Ring the bells so all can tell
The new-born King's arrived.**

**Christmas is here
Christmas is here
Time to spread the news about a boy.
It's time to spread the joy.
It's time to spread the,
Time to spread the joy.
It's time to spread the,
Time to spread the joy.**

**Come together one and all,
There is room for everyone.
Keep the door wide open
For your neighbours, for your friends.
If you share and show you care
The party never ends.**

**Christmas is here
Christmas is here
Time to spread the news about a boy.
It's time to spread the joy.
It's time to spread the,
Time to spread the joy.
It's time to spread the,
Time to spread the joy.**

It's time to spread the joy.
