Down In The Stable

1. Down in the stable, down in the stable,
It won't be too bad.

It's a cosy pad.
Come down with me and you will see
That it's really not too bad.
2. Down with the animals, down with the animals,
It won't be too bad.
Down with the animals, down with the animals,
It's a cosy pad.

Wonderful Camels

1. We are such a good design,
We can walk in a nice straight line.
That's why the kings gave us the nod,
They said, 'We're giving you a special job',
So here we are following a star.
2. We do everything in style,
Long legs travelling for miles and miles.
That's why the kings gave us the nod,
They said, 'We're giving you a special job',
So here we are following a star.
3. Who else has a hump so fine?
That is why we have been assigned.
That's why the kings gave us the nod,
They said, 'We're giving you a special job',
So here we are following a star.
4. We are really quite unique,
Look at our wonderful wide feet.
That's why the kings gave us the nod,
They said, 'We're giving you a special job',
So here we are following a star,
Following a star, following a star.
